

PORCHFEST DRAWING CONTEST

The Hyattsville Preservation Association is excited to announce a special children's drawing contest in celebration of this year's Porchfest! All children are invited to join the fun by drawing a poster to celebrate this event—whether it's the music, the people, or the beautiful old architecture that inspires them. A panel of judges will select the winning entries, and the chosen posters will be proudly featured in next year's Porchfest promotions. It's a great way for young artists to show off their talent and become part of this cherished local tradition!

Two first-place and two second-place posters will be selected!

Winning posters will be selected from two different age groups:

- 3-8 years old
- 9-14 years old

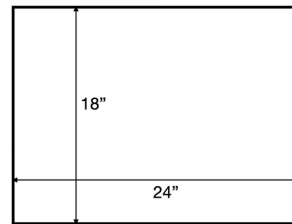

Winners will receive a gift certificate to Franklin's new ice cream parlor and have their posters printed on promotional signs for next year's event.

Visit www.hpahyattsville.org for more information on Porchfest and to print these contest details.
